Chairmans Message

Welcome, everybody, to season 2017-2018. I hope the coming year brings you both enjoyment and success. Club Officials are strongly advised to make themselves familiar with all the League and Cup Rules, particularly as there have been significant changes to the Football Association's Standard Code of Rules which we are obliged to incorporate. In any event it is obviously to your advantage to know not only how the League runs but also exactly what is expected from you.

Please also familiarise yourselves and your players with the Laws of the game. Invaluable information is contained in the Referees Charter; which publication is available from The Football Association.

The League Officers who make up the CSFL Management Committee are listed at the front of this handbook. Please contact the relevant Officer should you have any queries; if you are unclear to whom you should address your query please contact the General Secretary. Unless absolutely vital, avoid phoning any Officer between 9.00 p.m. and 9.00 a.m.

All correspondence for the attention of the Management Committee must be written by the Club Secretary and be addressed to the League's General Secretary, Mike Flack. Your letters are treated in confidence and are dealt with at the next Committee meeting, the dates of which appear towards the front of the handbook. The Club Secretary will always receive a written response.

We recommend that you always request, and retain, a receipt for any payments you make to the League Treasurer.

Once again your attention is specifically drawn to League Rule 8 (C) (iii) and you are reminded that on match days you **must** have in your possession a mobile device with internet access. This will enable the checking of photographic IDs by your opposing Club Secretary, match Referee, and/or League Official, and, as always, we would far rather welcome your co-operation than raise a fine for a breach of rule.

Please familiarise yourself with the fines tariff so as you know what you should NOT be doing.

Your Club's attendance at Council Meetings is always far more appreciated than is the fine for your absence. We accept that not everyone can attend every meeting but if you are personally unable to attend it is your responsibility to arrange a deputy, and to subsequently check with either the General Secretary or another League Officer in case there are urgent messages specifically for you.

May I take this opportunity on behalf of the League Officers to again wish all Clubs a successful and thoroughly enjoyable season.

Harry Yennaris,
Chairman.

About the League

The Camden Sunday Football League was founded by Bill Price in 1947 under the name of the “Hampstead and District Sunday Football League”.

By 1950, the league was well established in Regents Park, Parliament Hill Fields, Hampstead Heath Extension and, of course, Hackney Marshes.

In 1954 the league had eighty teams spread out across eight divisions, changing its name to the Camden Sunday League eleven years later.

The Camden Sunday Football League now resides in Hackney Marshes at the North Marsh, a short trip away from the iconic Olympic Park.

The league has a cup competition named after its founder, Bill Price (The Bill Price Memorial Cup) and runs a further three to four tournaments alongside it’s two league divisions.

The Camden Sunday Football League is a friendly & competitive senior men’s league based in north London. The league motto ‘Non Sibi Sed Toti’ means ‘Not for one’s self, but for all’.

30. Guidance for Marking Referees

All AFC clubs are required to adhere to the Football Association marking scheme with marks from 1-100, which was introduced in 2006.

The mark awarded by a club must be based on the referee’s overall performance, It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee’s performance should be determined by the table below which should act as a

guide for the overall mark which should fall within the mark range for each standard of performance.

A mark of 91-100 would be regarded as 'excellent'. A mark between 71 and 80 would represent the standard expected.

Comment

Mark Range

100-86	<i>The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.</i>
85-76	<i>The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.</i>
75-61	<i>The Referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.</i>
60 and below	<i>The Referee demonstrated shortcomings in the accuracy of decision- making and control which affected the game.</i>

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a Referee, they should always look on the game as a whole and not isolated decision. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or less is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as positive.

How to decide on the Referee's Mark

The following questions focus on the key areas of a referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the referee.

Control and Decision Making

- How well did the Referee control the game?
- Were the players' actions recognized correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?
- Was the Referee always within reasonable distance of incidents?
- Was the Referee well positioned to make critical decisions, especially in and around the penalty area?
- Did the Referee understand the players' positional intentions and keep out of the way accordingly?
- Did the Referee demonstrate alertness and concentration throughout the game?
- Did the Referee apply the use of the advantage to suit the mood and temperature of the game?
- Was the Referee aware of the players' attitude to advantage?
- Did the Referee use the assistants effectively?
- Did the officials work as a team, and did the Referee lead and manage them to the benefit of the game?

Communication and Player Management

- How well did the Referee communicate with the players during the game?
- Did the Referee's level of involvement/profile suit this particular game?
- Did the Referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- Did the Referee respond to the changing pattern of play/mood of players?
- Did the Referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- Was the Referee pro-active in controlling of the game?
- Was the Referee's authority asserted firmly without being officious?
- Was the Referee confident and quick thinking?
- Did the Referee appear unflustered and unhurried when making critical decisions?
- Did the Referee permit undue questioning of decisions?
- Did the Referee deal effectively with players crowding around after decisions/incidents?
- Was effective player management in evidence?
- Was the Referee's body language confident and open at all times?
- Did the pace of the game, the crowd or player pressure affect the Referee negatively?

Final Thought

- Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game. Judge the performance over **the whole game**; Don't be influenced by one particular incident.
